## Original Brazilian Green Propolis

### Dietary supplement

**Content:** 100 capsules

**Ingredients:** Each capsule contains 350mg of pure green propolis. All indications are subject to variation as usual for natural products.

**Vegetarian capsules:** 100% vegetarian ingredients (cellulose) and do not contain animal components.

**Properties:** Capsules contain 100% of pure green propolis powder (botanic origin: *Baccaris dracunculifolia*). This is rich in bioflavonoides and artemisinin C. The anti-oxidising substances of green propolis can help against preterm cell aging and stress. Furthermore, green propolis shows a wide range of anti-microbial effects. The capsules are recommended to rise the infection protection and to enforce the body's own resistance. Because of the good tolerance they are also suitable for a prolonged use.

**Recommendation:** 1 – 3 capsules per day, as required. The mentioned consumption is not to be exceeded, except your doctor or alternative practitioner recommends another dosage. Does not serve compensatory for a well-balanced, varying diet.

**Advice:** Keep out of reach of children. Not suitable for children under the age of 3 years and during pregnancy and nursing period. Not to be used in the case of allergic reactions against bee products.

**Suitable for diabetics. Gluten and lactose-free. Vegetarian.**

**Storage:** Unopened, light-protected, cool and dry.

**Best before:** - see overprint on package - (Validity)
